PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MONDAY, JUNE 27, 2011**

SOLICITATION OF PROXIES

The enclosed proxy is solicited by the Board of Directors of Towerstream Corporation (referred to as the "Company", "we," "us," or "our"), for use at the annual meeting of the Company's stockholders to be held at 88 Silva Lane, Middletown, Rhode Island 02842 on June 27, 2011, at 9:00 a.m. and at any adjournments thereof. Whether or not you expect to attend the meeting in person, please vote your shares as promptly as possible to ensure that your vote is counted. The proxy materials will be furnished to stockholders on or about May 13, 2011.

REVOCABILITY OF PROXY AND SOLICITATION

Any stockholder executing a proxy that is solicited hereby has the power to revoke it prior to the voting of the proxy. Revocation may be made by attending the annual meeting and voting the shares of stock in person, or by delivering to the Secretary of the Company at the principal office of the Company prior to the annual meeting a written notice of revocation or a later-dated, properly executed proxy. Solicitation of proxies may be made by directors, officers and other employees of the Company by personal interview, telephone, facsimile transmittal or electronic communications. No additional compensation will be paid for any such services. This solicitation of proxies is being made by the Company which will bear all costs associated with the mailing of this proxy statement and the solicitation of proxies.

INTERNET AND ELECTRONIC AVAILABILITY OF PROXY MATERIALS

Under new rules adopted by the United States Securities and Exchange Commission (the "SEC"), the Company is making this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 available on the Internet instead of mailing a printed copy of these materials to each stockholder. Stockholders who received a Notice of Internet Availability of Proxy Materials (the "Notice") by mail will not receive a printed copy of these materials other than as described below. Instead, the Notice contains instructions as to how stockholders may access and review all of the important information contained in the materials on the Internet, including how stockholders may submit proxies by telephone or over the Internet.

If you received the Notice by mail and would prefer to receive a printed copy of the Company's proxy materials, please follow the instructions for requesting printed copies included in the Notice.

RECORD DATE

Stockholders of record at the close of business on May 4, 2011, will be entitled to receive notice of, to attend and to vote at the meeting.

ACTION TO BE TAKEN UNDER PROXY

Unless otherwise directed by the giver of the proxy, the persons named in the form of proxy, namely, Jeffrey M. Thompson, our Chief Executive Officer and President, and Joseph P. Hemon, our Chief Financial Officer, or either one of them who acts, will vote:

- FOR the election of the persons named herein as nominees for directors of the Company, for a term expiring at the 2012 annual meeting of stockholders (or until successors are duly elected and qualified);
- FOR the ratification of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011; and
- According to their judgment, on the transaction of such matters or other business as may properly come before the meeting or any adjournments thereof.

Should any nominee named herein for election as a director become unavailable for any reason, it is intended that the persons named in the proxy will vote for the election of such other person in his stead as may be designated by the Board of Directors. The Board of Directors is not aware of any reason that might cause any nominee to be unavailable.

WHO IS ENTITLED TO VOTE; VOTE REQUIRED; QUORUM

As of May 4, 2011, there were 42,430,411 shares of common stock issued and outstanding, which constitute all of the outstanding capital stock of the Company. Stockholders are entitled to one vote for each share of common stock held by them.

A majority of the outstanding shares (21,215,207 shares), present in person or represented by proxy, will constitute a quorum at the meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take stockholder action, stockholders of record who are present at the annual meeting in person or by proxy and who abstain, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, are considered stockholders who are present and entitled to vote and are counted towards the quorum.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, the proposed ratification of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011 is considered a "routine" matter. Accordingly, brokers are entitled to vote uninstructed shares with respect to this proposal.

Under Delaware state law and provisions of the Company's Certificate of Incorporation and By-Laws, as amended, the vote required for the election of directors is a plurality of the votes of the issued and outstanding shares of common stock present in person or represented by proxy at the annual meeting of stockholders and entitled to vote on the election of directors. This means that the nominees who receive the most votes will be elected to the open director positions. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count to determine if a plurality of shares voted in favor of each nominee.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why am I receiving these materials?

Towerstream Corporation has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Company's solicitation of proxies for use at the annual meeting of stockholders to be held on June 27, 2011 at 9:00 a.m. local time at 88 Silva Lane, Middletown, Rhode Island. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision. We are furnishing our proxy materials on or about May 13, 2011 to all stockholders of record entitled to vote at the annual meeting.

What is included in these materials?

These materials include:

- this proxy statement for the annual meeting; and
- the Company's annual report on Form 10-K for the fiscal year ended December 31, 2010, as filed with the SEC on March 17, 2011.

If you requested printed versions of these materials by mail, these materials also include the proxy card or vote instruction form for the annual meeting.

What is the proxy card?

The proxy card enables you to appoint Jeffrey M. Thompson, our Chief Executive Officer and President, and Joseph P. Hemon, our Chief Financial Officer, as your representative at the annual meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the annual meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the annual meeting.

What items will be voted on?

You are being asked to vote on these specific proposals:

- the election of the five nominated members of our Board of Directors; and
- the ratification of our independent registered public accounting firm, Marcum LLP, for the fiscal year ending December 31, 2011.

We will also transact any other business that properly comes before the annual meeting.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that you vote your shares:

- FOR each of the five persons nominated for director; and
- FOR the ratification of our independent registered public accounting firm, Marcum LLP, for the fiscal year ending December 31, 2011.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company is sending the Notice to the Company's shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages you to take advantage of the availability of the proxy materials on the Internet.

What does it mean if I receive more than one Notice?

You may have multiple accounts at the transfer agent and/or with brokerage firms. Please follow directions on each Notice to ensure that all of your shares are voted.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to:

- view the Company's proxy materials for the annual meeting on the Internet;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Who can vote at the annual meeting of stockholders?

There were 42,430,411 shares of common stock outstanding on May 4, 2011. There are approximately 45 shareholders of record. Beneficial owners hold their shares at brokerage firms and other financial institutions. Only stockholders of record at the close of business on May 4, 2011 are entitled to receive notice of, to attend, and to vote at the annual meeting. Each share is entitled to one vote. All shares of common stock shall vote together as a single class. Information about the stockholdings of our directors and executive officers is contained in the section of this proxy statement entitled "Security Ownership of Certain Beneficial Owners and Management."

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

Stockholder of Record

If on May 4, 2011, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered a stockholder of record with respect to those shares, and the Notice was sent directly to you by the Company. If you request printed copies of the proxy materials by mail, you will receive a proxy card. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the annual meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If on May 4, 2011, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As the beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you receive a valid proxy from the organization. If you request printed copies of the proxy materials by mail, you will receive a vote instruction form.

How do I vote?

Shareholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- Via the Internet.* You may vote by proxy via the Internet by following the instructions provided in the Notice.
- By Telephone.* If you request printed copies of the proxy materials by mail, you may vote by calling the toll free number found on the proxy card.
- By Mail.* If you request printed copies of the proxy materials by mail, you may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.
- In Person.* You may attend and vote at the annual meeting. The Company will give you a ballot when you arrive.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- Via the Internet.* You may vote by proxy via the Internet by following the instructions provided in the Notice.
- By Telephone.* If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll free number found on the vote instruction form.
- By Mail.* If you request printed copies of the proxy materials by mail, you may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- In Person.* If you are a beneficial owner of shares held in street name and you wish to vote in person at the annual meeting, you must obtain a legal proxy from the organization that holds your shares.

What if I change my mind after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may vote again on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual meeting will be counted), by signing and returning a new proxy card or vote instruction form with a later date, or by attending the annual meeting and voting in person. However, your attendance at the meeting will not automatically revoke your proxy unless you vote again at the meeting or specifically request that your prior proxy be revoked by delivering to the Company's Corporate Secretary at 55 Hammarlund Way, Middletown, Rhode Island 02842 a written notice of revocation prior to the annual meeting.

Please note, however, that if your shares are held of record by an organization, you must instruct them that you wish to change your vote by following the procedures on the voting form provided to you by the organization. If your shares are held in street name, and you wish to attend the annual meeting and vote at the annual meeting, you must bring to the annual meeting a legal proxy from the organization holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

How are proxies voted?

All valid proxies received prior to the annual meeting will be voted. All shares represented by a proxy will be voted and, where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the stockholder's instructions.

What happens if I do not give specific voting instructions?

Shareholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the annual meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, such as the ratification of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2011, but cannot vote on non-routine matters, such as the election of directors.

Do I have dissenters' right of appraisal?

Holders of shares of our common stock do not have appraisal rights under Delaware Law or under the governing documents of the Company.

How many votes are required to elect the nominated persons to our Board of Directors?

The affirmative vote of a plurality of the votes cast at the meeting of the stockholders by the holders of shares of common stock entitled to vote in the election are required to elect each director. This means that the nominees who receive the most votes will be elected to the open director positions, to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified.

How many votes are required to ratify our independent public accountants?

The affirmative vote of a majority of the votes cast at the annual meeting by the holders of shares of common stock entitled to vote are required to ratify Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

Is my vote kept confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

- as necessary to meet applicable legal requirements;
- to allow for the tabulation and certification of votes; and
- to facilitate a successful proxy solicitation.

Occasionally, stockholders provide written comments on their proxy cards, which may be forwarded to the Company's management and the Board of Directors.

Do any of the Company's officers and directors have any interest in matters to be acted upon?

Except for the election to our board of directors of the five nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the annual meeting.

Where do I find the voting results of the annual meeting?

We will announce voting results at the annual meeting and also in our Current Report on Form 8-K, which we anticipate filing by June 30, 2011.

Who can help answer my questions?

You can contact our corporate headquarters, at Towerstream Corporation, 55 Hammarlund Way, Middletown, RI 02842, by phone at 401-848-5848 or by sending a letter to Joseph P. Hemon, our Secretary, with any questions about any proposal described in this proxy statement or how to execute your vote.

Except as otherwise reported above, none of our directors held directorships in other reporting companies and registered investment companies at any time during the past five years.

Family Relationships

Except for Howard L. Haronian, M.D. and Philip Urso, who are cousins, there are no family relationships among our directors and executive officers.

Involvement in Certain Legal Proceedings

To our knowledge, during the last ten years, none of our directors (including those of our subsidiaries) has:

- Had a bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time.
- Been convicted in a criminal proceeding or been subject to a pending criminal proceeding, excluding traffic violations and other minor offenses.

- Been found by a court of competent jurisdiction (in a civil action), the SEC, or the Commodities Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated.
- Been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization, any registered entity, or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

There are no material proceedings to which any director of the Company is a party adverse to the Company or has a material interest adverse to the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires our executive officers and directors, and persons who beneficially own more than 10% of our equity securities, to file reports of ownership and changes in ownership with the SEC. Based solely on our review of copies of such reports and representations from our executive officers and directors, we believe that our executive officers and directors complied with all Section 16(a) filing requirements during the year ended December 31, 2010, except that Jeffrey M. Thompson, our President, Chief Executive Officer and a director, failed to timely file a Form 4 reporting the issuance of common stock as bonus shares on February 2, 2010, Joseph P. Hemon, our Chief Financial Officer, failed to timely file a Form 4 reporting the issuance of common stock as bonus shares on February 2, 2010, and Melvin L. Yarbrough, Jr., our Chief Operating Officer, failed to timely file a Form 4 reporting the issuance of common stock as bonus shares on February 2, 2010.

Board Leadership Structure and Risk Oversight

Currently, the positions of Chief Executive Officer and Chairman of the Board are held by two different individuals. Jeffrey M. Thompson currently serves as President, Chief Executive Officer and as a member of the Board and Philip Urso serves as Chairman of the Board. Although no formal policy currently exists, the Board determined that the separation of these positions would allow Mr. Thompson to devote his time to the daily execution of the Company's business strategies and Mr. Urso to devote his time to the long-term strategic direction of the Company.

Our Audit Committee is primarily responsible for overseeing our risk management processes on behalf of our Board. The Audit Committee receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our Company's assessment of risks. In addition, the Audit Committee reports regularly to the full Board, which also considers our risk profile. The Audit Committee and the full Board focus on the most significant risks facing our Company and our Company's general risk management strategy, and also ensure that risks undertaken by our Company are consistent with the Board's tolerance for risk. While the Board oversees our Company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related parties can include any of our directors or executive officers, certain of our stockholders and their immediate family members. Each year, we prepare and require our directors and executive officers to complete Director and Officer Questionnaires identifying any transactions with us in which the officer or director or their family members have an interest. This helps us identify potential conflicts of interest. A conflict of interest occurs when an individual's private interest interferes, or appears to interfere, in any way with the interests of the Company as a whole. Our code of ethics requires all directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify our Audit Committee of the Board of Directors, which is responsible for considering and reporting to the Board any questions of possible conflicts of interest of Board members. Our code of ethics further requires pre-clearance before any employee, officer or director engages in any personal or business activity that may raise concerns about conflict, potential conflict or apparent conflict of interest. Copies of our code of ethics and the Audit Committee charter are posted on the corporate governance section of our website at www.towerstream.com.

At no time during the last two fiscal years has any executive officer, director or any member of these individuals' immediate families, any corporation or organization with whom any of these individuals is an affiliate or any trust or estate in which any of these individuals serves as a trustee or in a similar capacity or has a substantial beneficial interest been indebted to the Company or was involved in any transaction in which the amount exceeded \$120,000 and such person had a direct or indirect material interest.

In evaluating related party transactions and potential conflicts of interest, our Chief Financial Officer and/or Chairman of the Audit Committee apply the same standards of good faith and fiduciary duty they apply to their general responsibilities. They will approve a related party transaction only when, in their good faith judgment, the transaction is in the best interest of the Company.

Director Independence

Each of William J. Bush, Howard L. Haronian, M.D., and Paul Koehler are independent directors, as provided in NASDAQ Marketplace Rule 5605(a)(2).

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF ITS NOMINEES.

Board Committees

Since January 2007, the standing committees of our Board consist of an Audit Committee, a Compensation Committee and a Nominating Committee. Each member of our committees is "independent" as such term is defined under and required by the federal securities laws and the rules of the NASDAQ Stock Market. The charters of each of the committees have been approved by the Board and are available on our website at www.towerstream.com.

Audit Committee

The Audit Committee is comprised of three directors: William J. Bush, Howard L. Haronian, M.D., and Paul Koehler. Mr. Bush is the Chairman of the Audit Committee. The Audit Committee's duties are to recommend to our Board the engagement of independent auditors to audit our financial statements and to review our accounting and auditing principles. The Audit Committee reviews the scope, timing and fees for the annual audit and the results of audit examinations performed by independent public accountants, including their recommendations to improve the system of accounting and internal controls. The Audit Committee oversees the independent auditors, including their independence and objectivity. However, the committee members are not acting as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and the independent auditors. The Audit Committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist the Audit Committee in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors. Each of our Audit Committee members possesses an understanding of financial statements and generally accepted accounting principles. Our Board has determined that Mr. Bush is an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K.

Compensation Committee

The Compensation Committee is comprised of two directors: Howard L. Haronian, M.D., and William J. Bush. Dr. Haronian is the Chairman of the Compensation Committee. The Compensation Committee has certain duties and powers as described in its charter, including but not limited to periodically reviewing and approving our salary and benefits policies, compensation of executive officers, administering our stock option plans and recommending and approving grants of stock options under such plans.

Nominating Committee

The Nominating Committee is comprised of two directors: Howard L. Haronian, M.D., and Paul Koehler. Dr. Haronian is Chairman of the Nominating Committee. The Nominating Committee considers and makes recommendations on matters related to the practices, policies and procedures of the Board and takes a leadership role in shaping our corporate governance. As part of its duties, the Nominating Committee assesses the size, structure and composition of the Board and its committees, coordinates evaluation of Board performance and reviews Board compensation. The Nominating Committee also acts as a screening and nominating committee for candidates considered for election to the Board.

Director Nominations

Part of our Nominating Committee's duties is to screen and nominate candidates considered for election to our Board. In this capacity, it concerns itself with the composition of the Board with respect to depth of experience, balance of professional interests, required expertise and other factors. The Nominating Committee evaluates prospective nominees identified on its own initiative or referred to it by other Board members, management, stockholders or external sources and all self-nominated candidates. The Nominating Committee uses the same criteria for evaluating candidates nominated by stockholders and self-nominated candidates as it does for those proposed by other Board members, management and search companies.

The Nominating Committee values diversity as a factor in selecting individuals nominated to serve on the Board. Although the Board prefers a mix of backgrounds and experience among its members, it does not follow any ratio or formula to determine the appropriate mix, nor is there any specific policy on diversity. The Nominating Committee uses its judgment to identify nominees whose backgrounds, attributes and experiences, taken as a whole, will contribute to a high standard of service for the Board.

Meetings of the Board of Directors and Committees

During the fiscal year ended December 31, 2010, the Board held six meetings and acted by written consent on five occasions, the Audit Committee held five meetings, the Compensation Committee held eight meetings, and the Nominating Committee acted by written consent on one occasion. Each incumbent director attended or participated in 75% or more of the aggregate number of meetings of the Board and the Committees on which he served during the fiscal year.

Policy Regarding Attendance at Annual Meetings of Stockholders

Our Board has adopted a policy which states that each director is expected to attend annual meetings of its stockholders. Last year, all of our directors, with the exception of Paul Koehler, attended the annual meeting of stockholders. We expect that all of our directors will attend this year's annual meeting.

Code of Ethics

Our Board has adopted a code of conduct and ethics that establishes the standards of ethical conduct applicable to all directors, officers and employees of our Company. The code addresses, among other things, conflicts of interest, compliance with disclosure controls and procedures, and internal control over financial reporting, corporate opportunities and confidentiality requirements. If Mr. Thompson's employment is terminated (i) by us without "cause," (ii) by him for "good reason" or (iii) by us within two years of a "change of control" (as such terms are defined in the agreement), then (a) we will be required to pay Mr. Thompson twenty-four months base salary in monthly installments, (b) any unvested options to purchase shares of our common stock would immediately vest and become exercisable and any restrictions on restricted stock would immediately lapse, and (c) we must continue to provide employee benefits, including health insurance, for a period of five years following such termination.

During Mr. Thompson's employment with us, and for a period of twelve months following his termination (the "Restricted Period"), except for a termination by Mr. Thompson for "good reason," he is prohibited from engaging in any line of business in which we were engaged or had a formal plan to enter during the period of his employment with us. We will continue to pay Mr. Thompson his base salary then in effect in accordance with our customary payroll practices for the duration of any such Restricted Period in the event that Mr. Thompson's employment is terminated voluntarily by him, except for "good reason," or by us for "cause."
